

# FIRST Robotics

---

What is FIRST Robotics?  
Come Learn About the MCHS Robotic  
Hawks!  
Informational Meeting 8/21 2:30 B202

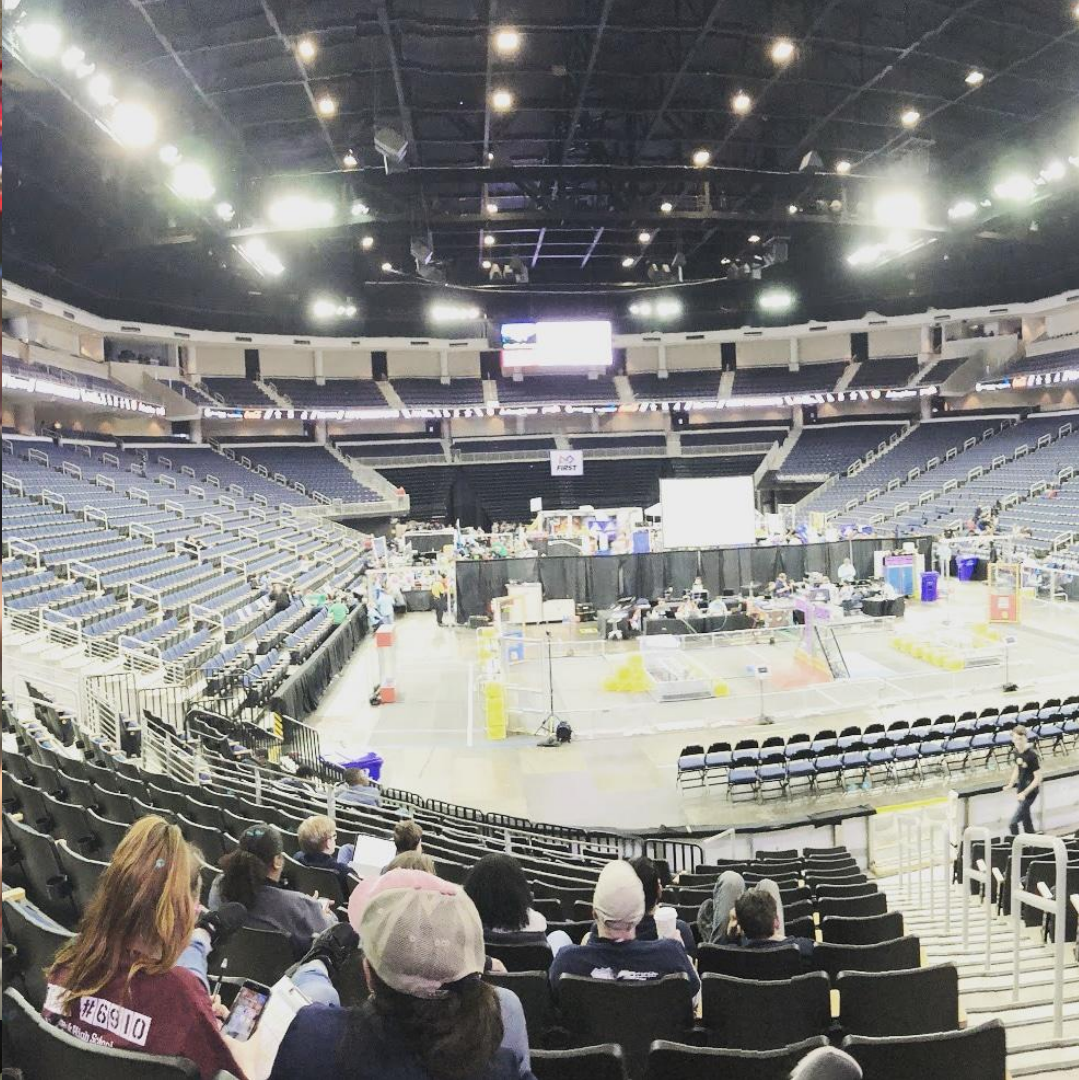

# FIRST Robotics is...

---

- Problem Solving
- Team Work
- Technology
- Marketing & Branding
- Community Service
- Strategy
- Scholarship & Leadership Opportunities

Wha

# The Details...

---

- We'll vote on meeting days - most likely Tuesday & Wednesday in the fall - could change in the spring
- The fall is about team building, skill building and fundraising
- The winter is about BUILDING A ROBOT
- Then in March.... We compete.

# The Competition.

---

# This year's theme is ....

---

DESTINATION:  
**DEEP  
SPACE**

A stylized graphic of a rocket launch. The rocket is orange and grey, with a grey plume that forms the letter 'A' in the word 'SPACE'. The plume is white and grey, with a white outline. The rocket is positioned between the 'P' and 'A' of 'SPACE'.

Presented By  **BOEING**

# What support does our club need?

---

Do you know anyone with a business who might sponsor our team?

Do you know a parent or family friend who has expertise and can mentor our team?

Have them contact me! [kelly\\_dyar@gwinnett.k12.ga.us](mailto:kelly_dyar@gwinnett.k12.ga.us)

*Sponsorship document available soon.*

# How do I join?

---

Please fill out an application! The google form link will be on our Mill Creek webpage and our social media. If you need it emailed to you, email [kelly\\_dyar@gwinnett.k12.ga.us](mailto:kelly_dyar@gwinnett.k12.ga.us)

Dues on mypaymentplus - \$25 to help with travel, etc.

Everyone will be required to help out with at least one fundraising effort and one community service event with our cluster schools.

Important Dates to know:

- Application due by 9/15/18; vote on events & meetings dates by 9/15/18
